8/22/96		Mass. DEP	Notice of Noncompliance	Alleges operating as a large quantity generator of waste oil with a small quantity generator status; an accumulation of waste oil that was on site for more than 180 days; lack of an established waste oil accumulation area; improper labelling of tanks of waste oil; improper labelling of satellite drums.	Letter from the MADEP dated October 11, 1996 acknowledges that Ref-Fuel has corrected the noncompliance allegations.	\$0.00
8/19/97		Mass. DEP	Notice of Noncompliance	Alleges failure to submit an annual report, pursuant to 310 CMR 22.15(5).	The facility contested the NON and submitted proof of submittal by registered mail receipt and submitted an additional copy of report. A recision notice was received from the DEP in September, 1997.	\$0.00
4/21/99		Mass. DEP	Administrative Consent Order	Alleging a failure by SEMASS to submit Form Rs for sodium hydroxide and sulfuric acid by July 1, 1998 for reporting year 1997.	The facility requested a recision of the consent order and provided proof that the report had been submitted. In response, the Department sent a formal recision notice dated 5/19/99, stating that SEMASS had complied with the Toxics Use Reduction Act	\$0.00
9/25/00		Mass. DEP	Notice of Noncompliance	Alleges that facility created nuisance odor conditions in an off-site area adjacent to the facility.	As requested, the facility sent a response to the Department. The response stated that the facility does not believe the odors were caused by the facility, but rather by associated truck traffic. Furthermore, we restated Ref-Fuel's commitment to continue to implement feasible odor mitigation techniques.	\$0.00
